

¡QUIJÓTERES!

A bilingual shadow puppet showstopper

¡Quijóteres! is a 45-minute, bilingual play representing just a few threads teased out from the countless, tangled, intertwined stories depicted in Miguel de Cervantes' classic tale, Don Quixote (El ingenioso hidalgo Don Quixote de la Mancha). Whether viewers speak Spanish or English, are familiar with Don Quixote or are meeting him for the first time, all ages will delight in this highly-acclaimed shadow puppet production by Dragoncillo Puppet Troupe.

This FREE production is made possible in partnership with Institute for Research in the Humanities (IRH) at UW-Madison in tandem with the UW Center for the Humanities.

Presented in partnership with The Anonymous Fund of the College of Letters & Science, the Institute for Research in the Humanities (IRH), and the Center for the Humanities at UW-Madison.
